 Romans 12:2**

SAY YES TO VBS! It's coming July 14-19. We have an exciting time ahead of us in VBS 2024. Thank you to those who've already said yes. You'll be part of "Breaker Rock Beach" where every day is an adventure. We invite you to come on board and guide children, youth and adults through God's Word and point them to Jesus. There are still many opportunities to serve. Please **PRAY** and seek God's direction in where He wants you to serve in VBS 2024.

You can volunteer on-line at sesbc.org/vbs or the sheets on the VBS bulletin board outside the fellowship hall.

**VBS VOLUNTEER MEETING
 Sunday Night, May 19, 2024
 South Elm Street Baptist Church
 4:30 pm, multi-Purpose Room**

You can pick up your curriculum at any time just see Theresa Wall.

During this session we will do an overview of the scripture and Bible lessons for the week, walk through a day of VBS, get a glimpse of the rotation track and have the opportunity to ask questions. Anyone who doesn't have their curriculum can get it during this time, as well.

Thank you church family for supporting the College Care Ministry. Our students are so blessed to have you praying for them throughout the school year. Your donations were greatly appreciated as they supported the students with care packages while away at college. The cards sent by so many of you were encouraging and brought smiles at just the right time. Please continue to pray for them during the summer months and we look forward to starting the program again this fall.

Next Sunday, we will celebrate Mother's Day. A mother is a female who brings up and raises her child with care and affection. She may or may not have given birth to the child she is entrusted to rear. She is a female parent. Mothers nurture and care for children. Mothers are selfless, loving females who must sacrifice many of their wants and needs for the wants and needs of their children. A mother works hard to make sure her child is equipped with knowledge and skills and abilities to make life worthwhile and meaningful.

Mother's day is a celebration which is utilized to honor mothers of individual families, as well as motherhood in general. It is celebrated in many different cultures and is usually observed in March or May. In America, we celebrate it in May, usually the second Sunday of May. It is a time when we honor our mothers with gifts, meals, and special projects. Every part of the observance is to show our deep and abiding affection for all that our mothers have done for us.

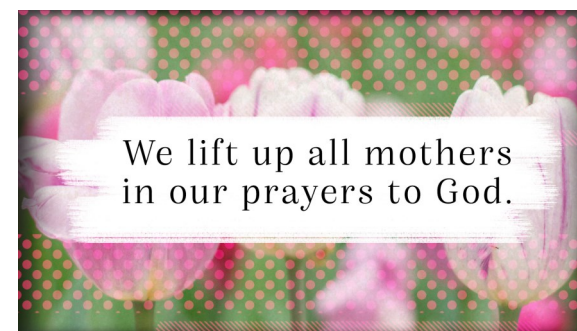

Mother's Day is a time when we reflect on who we want to be as a family and how we are connected to one another. That connection is most often dictated by how our mothers impact and invest in us as well as our families. In America, the first Mother's Day observance was on May 12, 1907, when Anna Jarvis held a memorial service honoring her late mother in Grafton, West Virginia.

Jesus honored his mother at the Cross when he was dying and he gave charge for his mother to John. In John 19:26-27, "When Jesus saw His mother there, and the disciple whom he loved standing nearby, He said to her, 'Woman, here is your son,' and to the disciple, 'Here is your mother.'" From that time on, this disciple took her into his home." Jesus was entrusting John to care for His mother in his home from that time forward.

It is fitting that we should follow suit and honor our mothers. Sunday we will have Parent-Child Dedication and an honoring of our mothers. As I think of my mother, I am reminded of an incredible Prayer Warrior and one of the people who introduced me to Jesus. My mom taught me that I needed Jesus and how to pray and she also taught me how to share the Gospel of Jesus with others. I will ever be indebted to my mother. Without her and without her influence, I would be nothing.

In Christ,

Lawrence
